Dear Parents and Carers,

Welcome to the April edition of our nursery newsletter. We have had a very busy month with new staff starting and the Easter holidays. We have been enjoying the lovely weather we have been having and exploring the garden with all the new flowers coming through. We also have been practising our Easter songs as unfortunately we had to postpone due to staff sickness, so we will now be having our Easter concert at 10am on Tuesday 30th April.

Caterpillars (Baby unit):

We have been exploring spring and the new baby animals. We have also had lots of fun mark making using a variety of textures and items.

Please can we ask parents to fill out our wow moments for our board. This can be anything from their first word or the first time they have crawled.

Ladybirds (2-3s room):

We have been exploring lots of natural resources such as pine cones, different flowers, insects and butterflies. We wished Lindsay good luck for her maternity leave and are pleased to have Tara with us.

Bumble Bees (Preschool):

We have been exploring our outside surroundings a lot over the past month. We have been looking at how things grow by planting our own sunflowers and watching what has been happening each day. We have also been looking at the different flowers that have been appearing in the garden. It has been great fun getting to know Helen.

Reminders:

Please do not bring your child in before the start of their session. If you do require an early start please speak to a member of staff.

Donations of rough paper and card would be greatly appreciated as our supplier

Due to allergies and choking risk please do not bring in food from home.

Staff News:

Lindsay is now on maternity leave and we wish her all the best.

Tara has started in the 2-3's room and Helen has started in the preschool room. They will be getting to know all the children, parents and staff over the next few weeks.

Dates for your diaries:

30th April Easter concert for 2-3s and Preschool

6th May Bank holiday Monday

24th May end of term

3rd June new term begins

We hope you enjoyed reading our nursery newsletter,

Best wishes,
Emma Dixon
Nursery Manager
